

## Retirement announcement

### **Marcia Downer, Member Service Manager and Compliance Officer**

On November 30, 2021, Member Savings says goodbye to Marcia Downer, Member Service Manager and Compliance Officer.

Marcia is retiring after being an essential part of the Member Savings community for 25 years, starting her career in 1996 as a Member Service Representative. Over the years, her breadth of experience has made her a trusted “go-to” person for our members.

We are all excited for the family-filled downtime that Marcia has planned but also sad to lose such an experienced, dedicated, and community-minded colleague. We know she will be missed.

To help support our members and our branch team, Sharon Kent, Member Savings President, will be assuming the responsibilities of Member Service Manager and Compliance Officer.

If you would like to send Marcia a retirement message, please email [notices@membersavings.ca](mailto:notices@membersavings.ca). We will ensure your celebratory and personalized message reaches her.
